IN SUPPORT OF AMENDED VERIFIED PETITION

PETITION TO PRESERVE AND PROTECT ELIZABETH STREET GARDEN

The undersigned hereby declare their unequivocal support for any and all efforts to preserve and protect in perpetuity the Elizabeth Street Garden located adjacent to 209 Elizabeth Street in the Special Little Italy District as open public recreational space. Each of us opposes without reservation the construction of a building of any kind on this rare open space oasis located in the middle of this densely built and populated neighborhood. We further contend that such construction on the Elizabeth Street Garden site will cause irreparable harm to the residents and businesses in this community. Finally, we urge the City of New York to heed this petition and permanently halt all efforts to build on this site now or in the future.
